This is a picture of the Champion Angus Bull at the Black Hills Winter Show, 1965. He is by Fox Woodlawn Pride and was sold to Ralph Greer, Newell, So. Dak.

Our consignments are bred nearly like the Champion of 1965, and two bulls are Senior Yearlings, which are large, heavy boned and good type. Three are Summer Yearlings of equal type and conformation.

Our heifer was Champion at several fairs and we think she is a good one. We'll see you at the Winter Show.

This bull was too young to go out as a breeder during the 1965 season so we decided to keep him back for the Black Hills Winter Show. This bull is exceptionally deep-bodied and full and thick in his rear quarters. He has a near-perfect front end, very good head and is smooth from end to end. If you are looking for a bull to sire the right kind of calves, this bull could certainly help.

This heifer was shown during the past summer season, placing in the money at every show, and was named champion at several. She is by the potent breeding bull Eileenmere Blackcap HF, who sired some of the top-placing bulls at the 1965 All-American Bull Sale. We believe this is the best heifer we have ever offered for sale. She is deep, thick, smooth and carrying a lot of Angus breed type and character. She is bred to calve in March to a son of Banner of Belladrum.

KILTY BOB OF FOUNTAIN - Was purchased as a calf mainly because I think his dam is one of the best cows I have seen in South Dakota. Her sire is Weston Applause from the famous Jackson herd, Hurley, which in turn goes back to the Royal Leaders at Edellyn in Illinois. This young bull has been used in our herd and I am anxious to see his first calves. Expect some good ones. A lot of white in this pedigree up close.

Also Secret 51st is a full sister to the top selling bull in the first Black Hills Winter Show and Sale, that sold to Mr. Ty Hoese of Spearfish, and she is also a sister to the second high selling bull in the 1963 sale, selling to the same buyer. J Shadow 1 is our first bull calf sired by our new herd sire, WS Shadow 125, a W.H. Schudel bred bull. He is a growthy, straight, heavy boned, yellow calf and shows promise of being a herd bull prospect. A half brother was Grand Champion in the beef breeding class at the Western Junior Livestock Show, October, 1965.

Supreme Anxiety 27A is a real herd bull, sired by an outstanding breeding bull and his dam is one of the very best producers of good calves. I have kept every one of her daughters, and they, too, are good producers. I highly recommend him to anyone looking for a breeding bull.
